5 Assemble all crystal chains and pins provided. See "Crystal Chain Assembly" above. Set mirror plate on cardboard stand. Hook all Crystal Chains "E" into slots in the mirror plate so the metal accessories face outwards and the square jewel is on the upper end. See illustrations #1 - #3. NOTE: Allow ends with small jewels to hang loose.

6 Align holes in mirror plate with the balls on the frame, raise mirror plate over balls, then turn mirror clockwise until holes are halfway between balls. See illustration #4.
